EXCLUSIVE!

Amy hits Marbella!

Miss Childs takes a well-earned break in sunny Spain!

➔ **WE KNOW** that filming a reality show is awful hard work. You do, well, what you'd usually do, we imagine, only with an entourage of chaps sticking cameras and hairy microphones right up your nose. So no one could begrudge Amy Childs another holiday, this time on the golden beaches of sunny Spain. Where a man shoved a camera right up her nose!

AMY GETS THE AXE!

Sadly, Amy's fly-on-the-wall reality show *All About Amy* was canned after just one series on Channel 5!

"Brilliant! I've always wanted to drive a double-decker!"

New behind-the-scenes Bond pics!

Skyfall star Craig in Range Rover stunt!

➔ **THESE COOL** snaps show the moment 007 uses a "self-driving" Range Rover, as filming took to streets around London's Smithfield Market.

With Daniel Craig in the back, the real action's taking place atop the car, with a stunt driver using a specially adapted rig.

Director Sam Mendes and co have been clocked filming in other parts of London, too, so expect 007 in more UK-based spy shenanigans soon!

THE SPYING GAME!

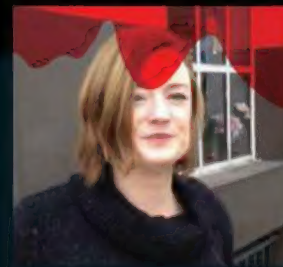

Skyfall, due to hit cinemas in November, sees Bond try to destroy the threat after M16 is attacked.

"To the *Robot Wars* studio, please, driver!"

"I should never have let Westwood take it in for its service"

Police denied their new speed cameras were too intrusive

'It was all happening outside my pub!'

Fiona McCann, landlady of the the Bishop's Finger pub, tells us what she saw!

Hi Fiona! Did you have any idea 007 would be driving outside your pub?

We had a letter saying that they were filming something called "B23" in the area. They've filmed around here before, so I knew what that code was!

Was it exciting to watch?

It's normally dead on a Saturday, so there were hardly any public around. But there were about 70 people milling around the set. I did see Daniel Craig, but he spent most of the day in the back of the Range Rover. There was a guy on top driving, which looked odd.

What can you tell us about the cars on set?

There were four identical Jaguars with the same number plate, so I think they were doing some scenes with Bond's actual car. The Range Rover just kept circling the car park.

Thanks, Fiona. Finally, did you try to meet Mr Craig?

I got fed up! I'd have invited him in for a pint on the house, but we're closed at the weekend!

EXCLUSIVE!

A quick word with Frankie Cocozza!

Celeb BB runner-up on space sex, groupies, birthday cakes and hair!

Hi Frankie! You shared a hot tub with Denise Welch and her surprisingly fine boobies in the house. Were you tempted to go in for a sly tickle?

Ha! I can't remember it happening, really. It was only when I got out and everyone was like, "Denise! Denise!" But why not? I'd do her!

How old was the oldest lady you've been with?

32.

Blimey! What's your upper limit then?

There ain't one, mate!

Maybe you should pursue it with Denise then? You could be the new Caroline Flack and Harry from One Direction.

Ha! Why not?

The twins told us they wouldn't have sex with you if you were the last man on Earth (see page 42). Isn't that a bit harsh of them?

Probably not. I did just talk filth to them. But they can just do one, really.

What's the best offer you've had from a lady off-camera?

Five fit birds asked to sh*g me. I sh*t myself and ran off!

Was five-in-a-row too much to handle then?

Nah, of course I could. I just need to pluck up the courage.

You've said you'd like to get it on with Jennifer Aniston.

How would you woo her?

I'd walk up and say, "I'm a f**king huge deal in the UK and you're fit. Are you on it?"

Now, your bottom, Frankie.

Are the tattoos of girls' names actually conquests?

I've never said that I sh*gged them. I've only sh*gged one.

What if you fall in love? Will you have your bum lasered?

No. Because I wouldn't be in the situation I'm in now if I hadn't done it. If they don't like my bum they can do one.

Would you have the Nuts logo tattooed on one of your bum cheeks if we paid?

Depends how much you paid!

What's the "sex count" these days, Frankie?

91 now.

Do you reckon that you've slept with more women than Simon Cowell?

Yes.

How about Louis Walsh?

I've definitely slept with more women than Louis!

Simon threw you out of *The X Factor*. Was he jealous of your hair and your trousers?

F**k knows! He probably owns me, for all I know, so I don't know what to say.

You mean he can call you up and you have to go and pick up his dry cleaning for him?

Of course not. But I'm not sure what I've signed into with the old *X Factor* sh*t.

Your hair *is* amazing. How does it work?

There's this dust stuff that my hairdresser gave me.

You have a hairdresser?

Yes. And it makes it lift and go all rough. It's quality.

Also amazing: your tight trousers. How long does it take to get them off?

When I'm p'ssed, it's a f**king nightmare – I stand on one leg and rip out the other and I fall all over the place. I'd say seven seconds on average.

If you're having a quickie, is it easier just to keep them on?

Yeah, I just leave them around my ankles.

Are you really moving in with Kirk from *TOWIE* and *CBB*?

Yeah. I've got my little room and everything.

Are you worried he'll make you sit through an entire season of *TOWIE*?

We both couldn't think of anything worse. If he did, I'd be straight back to Brighton.

Kerry Katona said she was a fan of you on *CBB*. What if she'd jumped out of your giant cake and snogged you?

I would have run away!

Who'd be good for a jump-out-of-a-cake birthday snog?

Pixie Lott.

Who's the most famous lady you've been rejected by?

This bird on *The X Factor* had Cher Lloyd's number, so I said, "Text her and tell her I fancy her." Cher Lloyd texted back and said, "Tell him to f**k off!" That weren't great.

Natasha Giggs. Would you?

F**king yes! I fancy her big time. Denise Welch? Yes. Natalie Cassidy? Yes. The twins? No, no. Nicola McLean? Yes. Georgia Salpa? Yes. Andrew Stone? No. Ha!

Hugh Hefner's invited you to the *Playboy* mansion. Are you going to accept? Can we be your +1 please?

Of course I'm going to go. I'll tear the place apart! I'll probably invite Kirk. I'd like to take my old man. If they can't come, you can!

Thanks, Frankie! Finally, would you have preferred to have been thrown out *Big Brother* and come second on *The X Factor* or are you happy with the way life turned out?

I'm happy how it all turned out. I think in the nastiest way possible, *The X Factor* has probably done me a favour.

Pulling power!

It's a 145-man water-skiing world record!

WORLD RECORDS really do juggle the stupendously awesome and utterly pointless all at the same time. And we can't think of a better example than this – 145 happy chaps water-skiing behind one hefty boat off Strahan in Tasmania, Australia.

And, hey, there are rules. The water-skiers needed to remain upright for an entire nautical mile. Word is they lost nine souls to choppy waters but still beat the previous record of 114. The youngest participant was 12-year-old Alexandria Seaton. History has already forgotten the ones who fell.

220mph Lambo Aventador!

London-based tweekers Prindiville make mental supercar even sillier!

- It's been on sale mere months and the waiting list is as long as a traffic jam in Rome, yet already Lamborghini's latest sensation is being altered by one tuning company.
- London-based Prindiville Design has tried to improve on Italy's rampant bull (the Aventador was named after a courageous Spanish bull that fought in 1993) with a limited run of eight cars.
- It's not only redesigned 80 per cent of the body panels, but boosted power and aural pleasure. No easy feat when the standard car has the attraction and jeopardy of a sexy vampire.
- The modified panels are subtle – it's hard to see where the car differs from standard unless an original is parked next door. Redesigned aero-friendly front bumper, rear bumper/diffuser, rear wing, roof skin and angular side skirts are now hand-made from aircraft-grade carbon fibre, saving up to 65 per cent on weight.
- Customers can choose whether they bring their existing car to Prindiville, or have it sourced for them. The cars converted to date have tended to be white to give them a two-tone appearance that emphasises the alluring carbon-fibre weave. But customers can order the car in whatever colour they wish.
- Carbon panels and a mean-looking quad-mouth titanium exhaust (80 per cent lighter than the original!) means this Lambo weighs 75kg less.
- Prindiville has uprated the Lambo's ECU and this, in unison with the titanium exhaust, swells power by 12 to 15 per cent, meaning this carries up to 805 horses. Fun-wise, that'll result in a 0-62mph of 2.7 seconds and a top end of around 220mph.
- Prindiville has trimmed out the first converted Aventador with grey suede and Alcantara, together with milled billet aluminium dash/centre console inserts. But at a cost of £350k, you can have what you want. That includes the price of the original car!

Kind of! And it's an SUV

An obscure Italian car mag has run a picture which it claims is the new Lamborghini SUV (sports utility vehicle). Surprisingly, this has been all but confirmed by a spokesman at Lambo's owner, Audi, who told *Nuts*: "The speculation is largely correct." Prototype 2 – first play!

We get hands on with the mental monster masher!

SO THERE'S good news and bad news. The

bad news is that you wake up to find a mutant virus has wiped out your entire family and most of New York. But the good news is it's handed you mind-boggling superpowers! That's the macguffin for *Prototype 2*'s new hero: ex-soldier James Heller.

The sequel to 2009's *Prototype*, again the main appeal is the way it gives you awesome powers before setting you loose in a huge, open world filled with monsters who want to kill you.

It's all brilliant OTT fun, and out on 24 April on Xbox, PS3 and PC.

WIKIDS: NICK COWEN

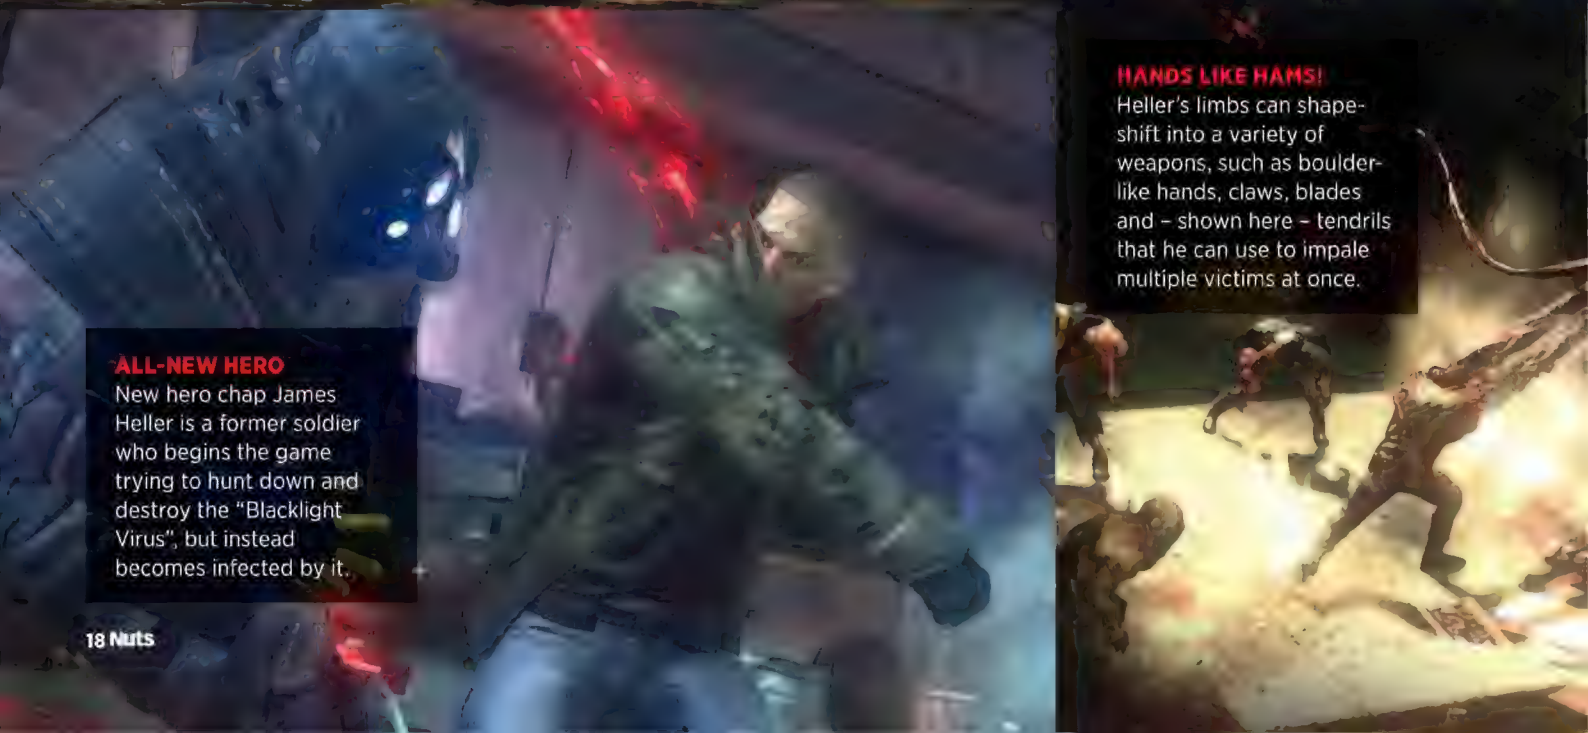

HANDS LIKE HAMS!

Heller's limbs can shape-shift into a variety of weapons, such as boulder-like hands, claws, blades and – shown here – tendrils that he can use to impale multiple victims at once.

ALL-NEW HERO

New hero chap James Heller is a former soldier who begins the game trying to hunt down and destroy the "Blacklight Virus", but instead becomes infected by it.

PULL-OUT THE BIG GUNS!

Players can use the guns of any soldiers they kill. They can even tear Gatling guns and missile launchers from tanks and helicopters and use them to turn enemies to paint.

VIRUS-RIDDEN FIGHTERS

The "Blacklight Virus" has populated New York with mutants. Puny, shambling humans won't give you much bother, it's the muscle-bound "Hunters" that are more tricky.

STUCK IN THE MIDDLE

You're caught between the military, who want to hunt you down and exploit your powers, and the infected residents of New York, who want to hunt you down and, well, eat you alive.

MUTANT POWERS!

You can use guns, but far more fun are your mutant powers. As well as attacks like this, they allow you to run up skyscrapers, then whistle down off them, like human flying squirrels!

"Odd couple get engaged!"

THE WORLD'S most f**ked up couple have got engaged. Isakin Jonsson is a cannibal and Michelle Gustafsson is a vampire, and before you start thinking they're a pair of Swedish goths who think they're in *True Blood*, Isakin really did kill and eat someone and Michelle actually stabbed a bloke to death and drank his blood, and they're locked up together in a psychiatric ward. This makes sense to me – they both knew they were killers when they met, and it's important to have something in common. But how do killers hook up on the outside? How do you work that into a date conversation? Rose West: "I'm into reading and country walks." Fred West: "Really? I'm into killing people and burying them in my garden."

"Sir David sees the light!"

SIR DAVID Attenborough has changed from an atheist to an agnostic, claiming in a recent interview that there could be a God after all. I see where he's coming from – he's 85 years old now, so he may want to hedge his bets. I find it hard to believe that a man who's studied evolution his entire life could suddenly start believing in a God you read about in a book. The universe started with the big bang. Now, this is where religious people get mad and ask who created the big bang, because "nothing comes from nothing"! Who created God then, you dumb c**ts? Nothing comes from nothing! Jeez, these selfish d*ckheads will drive you mad if you let 'em!

He beat one of the robbers over the head with his walking stick until it broke (the walking stick, not the robber). I like his have-a-go attitude – I think it's every civilian's duty to stand up to people doing wrong, so don't be idle. Be like me: I saw a pensioner who I suspected was shoplifting a tin of cat food from Tesco, so I smashed her head in with a sauce bottle. Every little helps!

'My arm looked like a joint of meat!'

Nuts reader's limb lacerated by sneaky shard!

➔ **IF THERE** was ever justification for not tidying up, this grisly gash is it. Warehouse worker Scott Duncan was doing a spot of spring-cleaning when disaster struck.

"I noticed a piece of cardboard stuck under

a shelf. I couldn't reach it easily, so I laid on my stomach, put my arm under and pulled hard," recounts the *Nuts* reader, from Fife. "But, unknown to me, there was a piece of glass hidden at the side. I pulled my arm out and held it against my chest, initially thinking I'd just got

bad scratch, but it turned out to be a bit more than that. My arm was sliced right open – it looked like a joint of meat!"

Now suitably stitched up and on the mend, all Scott has to show for his one-man cleaning mission is one hell of a mighty scar.

Girls don't fancy me!

I've never had too much luck with the ladies and my mates reckon it's because girls only ever want to be my friend. For some reason, they never seem to think of me as boyfriend material. How do I fix this situation?

He can't have it both ways, so you'll have to be cruel to be kind. Tell it like it is, but also give him lots of support. Perhaps you could persuade

My face turns bright red!

I get embarrassed really easily. I turn bright red whenever I'm close to a girl I fancy, or even if someone is just talking about sex. I don't know how to stop it. What do you suggest I do?

It's perfectly normal for a chap to turn bright red, or even purple, when he's close to a girl he fancies. Seriously though, find a sympathetic lady friend who'll practise conversation and other techniques of seduction with you. You'll find yourself wooing the ladies in no time. See you next week!

WANTING TO beef up his literature skills, a man decides to join a local book club. After the first session, he asks the organiser if she can recommend a good novel for him.

The lady replies, "You should read this book called *The Immortal Dog*."

"Is it a good read?" the bloke asks.

"Oh yes," says the lady, "I can guarantee you won't be able to put it down!"

LUCY COLLETT!

Lucy Collett!

Meet the 22-year-old
30G Warwick babe!

LUCY COLLETT!

H

i Lucy! This is your first time in *Nuts*. How does it feel?

Lovely! *Nuts* is a great mag and

I've wanted to be in it for a while. I'd love to be a familiar face in 2012.

You recently won Page 3 Idol. How does that feel?

Hectic! I've been doing shoots all over the place – everyone wants to take my picture, but it's so much fun! I love being a *Nuts* girl. To be honest, it's always been my favourite.

Have you modelled before?

I did a lot of hair work before I started glamour modelling. A lot of girls ask me all the time what colour my hair is and where do I get it done. I always have really good hair!

Who's your *Nuts* idol?

Rosie Jones! She's the Queen of *Nuts*! She has such an amazing body and is so natural – and she's really nice. Sophie Howard's amazing as well.

If you could do a fantasy shoot with any girl, what would it be?

Having a romantic bubble bath would be really nice, with champagne and everything. And me and another girl just playing with each other!

Do you have any secret talents?

I can ride a horse and I did a lot of acting in school plays – singing and things like that.

What was the highlight of your school play career then?

I played Lucie Manette in *A Tale Of Two Cities*. And then I had a big after-show party at my house. That was the first time I got really, really drunk!

Finally, what is it that makes redheads so awesome?

We are a bit different, aren't we? Blondes are meant to be fun, brunettes are sultry and I'm a bit of a maniac. My hair colour reflects my personality. I'll show you an amazing time on a night out! ❌

“I love being a *Nuts* girl - you've always been my favourite!”

STEPHEN GRAHAM

STEPHEN GRAHAM

The Scouse acting legend talks about his new movie, being Al Capone and watching Liverpool FC!

Hi Stephen! What's your new film about?

It's called *Best Laid Plans* and it's about two friends who help each other through harsh times. They met under hard circumstances at a halfway house and have never had anyone else to rely on. The film's about the journey they go through as they search for someone who'll love them for who they are. My character Danny is in big trouble with a drug debt to a local gangster, and the only way out is to put his friend Joseph into a series of brutal cage fights to buy his freedom. Joseph's got the mind of a child, so it's intense stuff.

The cage-fighting scenes are full on. Do you like MMA?

Andrew Shim, who plays Milky in *This Is England*, has been doing mixed martial arts for a while, and I've been to see him fight. I've told him that he needs to be sensible and stop if he wants to be an actor! I'm a massive fan of boxing. I love it, but the adrenaline and testosterone in the air at these cage fights... you feel like a man when you're watching it! It's two athletes putting everything they've got on the line and pitting their wits against each other. It's gladiatorial. Pure drama. Amazing to watch!

You've described your character Danny as a "wheeler-dealer". Did you have any real-life experiences to draw on?

Danny's one of those guys who just can't get anything right. He's been to some bad places and he's a bit of a chancer, but there's not a malicious bone in his body. Yeah, I've had a few friends who've lead more colourful lives shall we say, but I'm not naming any names!

Will your Al Capone be more involved in season three of *Boardwalk Empire*?

In season two he was growing up, learning the ropes and climbing the Mob ladder, but we start shooting soon and I've been told by the producers and Marty [Scorsese] that Capone will develop further and we'll see more of the mayhem that made his name.

Who'd you rather go to the pub with, Capone or Combo from *This is England*?

Both of them! Then I'd love to sit them down on The Kop to watch Liverpool.

What can you tell us about *This is England '90*?

We won't start shooting now until 2013, so it won't be on your screens for a couple of years. Shane Meadows [the director] wants us all to have a break. A lot of the young actors are busy with other work. I'm really looking forward to it, though. Combo gets out of prison and gets involved with the rave scene. It has the Italia '90 World Cup as it's backdrop. I can't wait!

Footballers often have pre-match rituals. How about you on the first day of a new shoot?

For me, it's all about finding the right shoes. It helps me develop the walk so I can find my character from the feet up and develop the swagger of, say, Combo in his Dr Martens. But the first day of a shoot I'm always dead nervous and worry that I'm gonna be crap, and they'll fire me! It hasn't happened yet, but it's good to channel that nervous energy into your performance!

You're a big Liverpool fan. Who should they have signed in the transfer window?

They need to get Jermain Defoe and find two tasty little wingers to get crosses into the box. Bellamy's playing brilliant when he comes on, but Downing hasn't had time to settle. He needs to play regularly.

Where do you, realistically, expect Liverpool to finish this season?

There are six very good teams up there, but it's been a topsy-turvy season. My heart says a Champions League spot, but my head says fifth or sixth.

Do you get to watch them when you're working over in the States?

When I'm in New York, I'll get up at dawn on a Sunday morning after a heavy night out, go to my favourite bar to catch the lunchtime kick-off with loads of ex-pats, with us all watching the footy and swilling pints at 7am!

Fancy England's chances this summer?

English football fans always have faith so it would be nice if it was repaid! But it'll be the same old story, I reckon – quarters maybe or the semis if we're lucky. As a group of young players they're very talented, but they need to find that harmony as a team and forget all that sh*t that's happened in the past!

Thanks for that chat, Stephen. Finally, have you got any celebrity fans?

I don't do Twitter, but I heard Wayne Rooney had tweeted that he was watching *Boardwalk* and written "Stephen Graham is amazing". Which was nice! ✕

• Stephen's film *Best Laid Plans* is in cinemas now and out on Blu-ray and DVD on 20 February.

Stephen facts...

Rumour has it that Stephen was given the part of Tommy in *Snatch* without being auditioned! Stephen had gone to the auditions to support a mate who was up for the part, but director Guy Ritchie spotted him, liked his face and offered him the role!

Stephen is set to star in a sitcom about British wrestling with Tom from Kasabian called *Walk Like A Panther*!

'We rowed across the Atlantic in 51 days!'

BARBADOS

Late last year, a rookie crew of army pals embarked on a 3,000-mile charity voyage. They tell *Nuts* the epic story...

IN THEIR own and facing grave danger, the six-man crew of the Row 2 Recovery team spent over 50 days at sea, trapped together in

a tiny boat. Consisting of current and ex-servicemen, including three amputees, the team made the journey from the coast of Africa to Barbados despite their rudder breaking, being caught in storms and managing for days with minimal drinking rations after their freshwater equipment failed them.

The crew took on the challenge of rowing the ocean, a feat achieved by less than 500 people, to raise awareness for the conditions British servicemen face abroad and the life-changing injuries that many come back with. The team were taking part in the Talisker Whisky Atlantic Challenge among 17 other more experienced teams, despite four of their number having suffered severe injuries and having had limited rowing experience. This is their incredible story.

Water shortage

With 2,500 miles of the journey behind them, and the finishing line in sight, the rudder snapped leaving the crew cut adrift, explains expedition co-founder and former paratrooper Alex Mackenzie. "It was heartbreaking and dangerous – without a rudder you're at the mercy of the sea. If a wave hit us side on we'd have capsized and possibly drowned." The crew fixed the boat in the water. Alex continues, "We had to take the rudder apart and fix a plate to reinforce it. There was a metal pin that we had to

thread through four holes and all the while the sea kept knocking us about. I think we all thought it was game over."

By Christmas Day 2011, three weeks into their voyage, the team's water desalinator – a device used to turn salt water into drinking water – broke, leaving them to pump the salt out using a hand pump. Twelve hours later, it broke, leaving only emergency rations.

A support crew was supposed to deliver them fresh water inside six days, but didn't reach them for ten days after that, leaving them with only 1.5 litres of drinking water per day. Alex explains: "The one thing your body craves when you're rowing in the baking heat is water. It affects you psychologically to be so thirsty. We started rowing mostly at night because it was cooler."

On their own

The physical factors that affected them were small compared to the mental ones, with the loneliness of the sea being something they could never prepare for. The crew had to confront an unrelenting horizon of water. Also, as they needed to be facing the same way in order to row, they spent the duration of the 51-day ordeal staring at the back of somebody's head, reveals crew medic Rory Mackenzie. "For nearly six weeks the horizon doesn't have a feature on it and you can't even speak to your crew members face-to-face as to move around unbalances the boat – you're sat rigid for hours and hours on end. Every few days we might see a bit of seaweed and we'd stop rowing and try to catch it because it was that exciting to see."

Exhaustion

Each member of the crew would row for three hours a night and with conditions so uncomfortable it was hard to get any sleep, says Rory. "We would never have more than two hours sleep. It takes a lot to wake up at 4am, do intense physical activity, then sit in the sun all day."

In such a rigid sitting position, the crew's clothes would constantly rub and with the saltwater, these wounds would quickly become sore. The crew found a surprising way of countering this, says Alex. "We rowed naked except for a hat. The main task, apart from the rowing, became slathering yourself, everywhere, in the strongest sun cream."

Once they'd beaten the waves and equipment failures, the crew had further challenges to face. "The worst was the flying fish," says Rory. "They were over a foot long and fired out the water like missiles straight into your face. It was like being punched."

As the team finally dragged itself into harbour in Barbados, where they were met by thousands of supporters, Alex was able to reflect. "The one word I'd use to sum it up is 'relentless'. You're always either rowing, fixing something or on watch. The most basic task, washing your hands or going to the toilet, takes ten times as long. We had to wee in a bottle, you can't stand up or you go overboard, or tie yourself into a harness to go for a crap over the edge. The ocean is uninhabitable for man and so you're constantly battling against that."

H

i ladies! Shall we get the Denise Welch debacle out of the way?

Karissa: She had a couple too

many and pulled my pants down. She apologised, but it wasn't genuine. She said she was going to do that again!

Have you spoken to her since?

Karissa: She apologised to me on the final day. She wants us to go on *Loose Women*!

Good Lord! Are you going to?

Karissa: Yeah, I'm going to.

Kristina: If Romeo or Michael had done it, they would have been kicked out. But just because it was Denise...

Do you think *Big Brother* indulged her a bit?

Karissa: Well, she was the only one who'd get her boobs out in the Jacuzzi. The only one! Out of all the hot girls they put in the house, the *Playboy* twins, the model Georgia, and it's the 53-year-old grandma who wants to pull her boobs out!

Do you think bosses were hoping you'd "pull a Denise"?

Karissa: Yeah, probably. And I think they put Kirk, Romeo and Frankie in there for us.

Kristina: They can see we're not those kind of girls now.

You got booed during the evictions and yet you still got through to the final!

Karissa: Me and Kristina played the game right. We were the most entertaining people on the show. Since leaving the house I've noticed how many fans we have.

Everyone I run into says that we should have won.

Kristina: I think the people who showed up to boo are just Denise fans. She has a big show, they made a point to come and cheer her on. All of our fans are in America.

Are you gutted you didn't win?

Kristina: No, I'm really happy with the way it worked out.

Karissa: Me, too. ▶

"They put Kirk, Romeo and Frankie in the house for us!"

Karissa

SEXY SISTERS!

Who was the most irritating person in the house?

Kristina: It was Frankie.

Karissa: Franksta W*nksta.

What made him so annoying?

Kristina: He was constantly giving us hugs and stuff.

Karissa: What wasn't annoying about him? He was messy, no manners, constantly making sexual, rude, dirty comments.

If you had to sleep with Kirk or Frankie, who would it be?

Together: Neither!

Karissa: If they were the last men on Earth and it was my responsibility to repopulate the whole planet, I still wouldn't!

Kristina: I'd let the world end.

Does it amaze you what constitutes a celeb in the UK?

Kristina: We didn't recognise anybody. We've had some time to talk now, so we know that there was a rugby player, Denise has her talk show, Frankie's the *X Factor* reject.

Karissa: Georgia was a model, Nicola's a housewife.

Kristina: And Kirk's on that *Essex* show.

Karissa: I don't know how Georgia and Nicola are celebrities. Romeo did music and had a hit single. I don't know anything about Natalie.

Did you miss sex?

Karissa: I got sexually frustrated at one point, yes.

Kristina: I'm dying to see my boyfriend.

Karissa: Me, too! My boyfriend, I mean, not hers.

Did you also live in the *Playboy* Mansion for a while?

Kristina: Yeah, but we didn't get to experience the whole Playmate end of it because we were doing our TV show.

Did you have to "have fun" with Hugh Hefner?

Karissa: No.

Do you have to do chores about the place, like hoovering?

Together: No. They have butlers!

**“Frankie was
the most
irritating
person in the
BB house!”**
Kristina

**"I like really
dominant
guys!"**
Karissa

What are *Playboy* parties like?

Karissa: Hashtag amaze!

What goes on in the infamous Grotto? We heard it gets quite steamy in there...

Karissa: What goes on in the Grotto...

Kristina: ...stays in the Grotto!

What are the most bizarre things you've seen?

Kristina: At the end of the night, the painted girls always jump in the pool together. I'm not sure what they do that for.

Karissa: And they get down.

"Down"?

Karissa: They get jiggy with it. They're naked, but painted.

Kristina: Sometimes they do it for free, just to go there to meet a very rich guy.

So, do you have the same kind of taste in men?

Karissa: No. We both like tall, dark and handsome...

Kristina: But I like the sweet guys who are romantic.

Karissa: I like dominant guys.

Have you ever swapped men without them knowing?

Both: No!

How can you be told apart?

Karissa: Kristina has a freckle under her right eye and she's also an inch taller than me.

Kristina: And she has a rounder face than me.

Do you experience things when the other person's doing them?

Kristina: We can tell what the other one's thinking. We can walk into a room, look at the same person and know that we're having the same thought.

As hot twins yourselves, do you fantasise about hot male twins?

Karissa: I've never seen a pair of matching cute guys.

Thanks girls! Finally, how much money would persuade you to go back into the same house with the same people for the same amount of time?

Kristina: It'd need to be triple.

Karissa: For both of us. ▶

Friday Night Lights

SKY ATLANTIC/HD • 8pm

One of the best sports dramas ever is being screened from the first episode! You don't have to be interested in American football to appreciate this show about a coach training his high-school team. Look out for some amazingly hot women, too.

★★★★★

Blue Bloods

SKY ATLANTIC/HD • 10pm

So-so cop drama following several generations of police, all in one family, headed by Police Commissioner Frank Reagan. Rookie cop Jamie (Frank's youngest son) is undercover, trying to infiltrate a mobster family, but his identity is under threat. Meanwhile, Frank's other son, Danny, who works in homicide, does a dodgy deal.

★★★

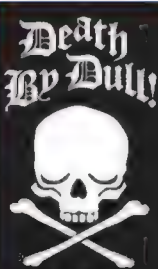

The Cleveland Show

E4 • 10pm

There's a new neighbour in town in the shape of Choni, and Cleveland's out to impress her. But, when he offers to babysit for her, it goes a bit wrong. Junior, meanwhile, is having a bad time dealing with a lack of interest on Valentine's Day.

★★★★

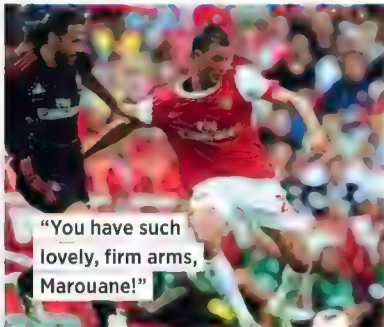

HOW TO GROW A PLANET

BBC TWO • 9pm

Don't be misled, this actually has nothing to do with growing a planet (who are you? God?). It's actually a documentary about flowers!

Wednesday 15 February

AC Milan vs Arsenal

ITV1/HD • 7.30pm

It's the Champions League last 16 and Arsenal face the toughest draw they could have asked for outside the big two from Spain. The last time the Gooners played Milan, in the 2007/08 season, they went through 2-0 on aggregate. It'll be trickier this time.

★★★★★

Sons Of Anarchy

SUSA • 10pm

There are double-crossings, filthy lies and even the Hoff guest-starring as a porn director in this excellent episode of the biker drama. The cops have dug up some dirt on Samcro member Juice, and use it to blackmail him into helping them. Plus, Clay and Gemma both want Unser to help them get hold of John Teller's letters.

★★★★★

Kevin Bridges: What's The Story?

BBC ONE • 10.45pm

We love a bit of Kevin Bridges here at Nuts, and the early signs for this series are very encouraging. Tonight he chats about accents with Cockney funnyman Micky Flanagan.

★★★★

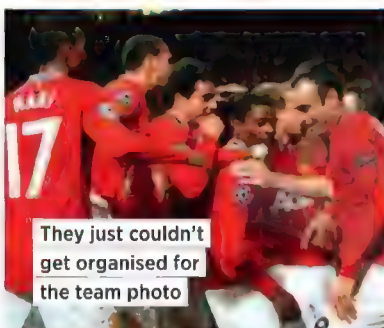

BLADES OF GLORY

BBC3 • 10pm

Thirty-two minutes in, the shampoo in this scene does a disappearing act!

Thursday 16 February

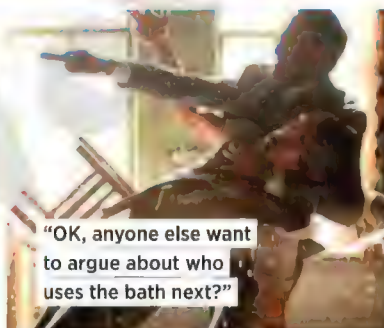

Ajax vs Man United

CHANNEL 5/HD • 5.15pm

Man United travel to Amsterdam to face the reigning Dutch champions in - gasp! - the Europa League. Will Fergie take Europe's second best competition seriously? Or can we expect a team full of United youngsters and Dimitar Berbatov?

★★★★

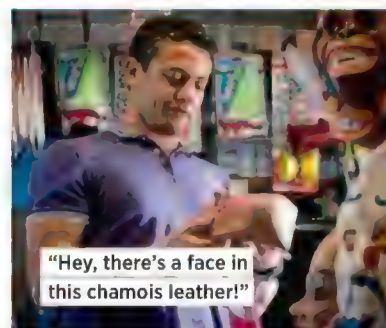

Inception

SKY MOVIES ACTION/HD • 8pm

This is not a movie for the easily confused, as it's so twisty-turny, you might not know if you're coming or going. What we get is a special fx extravaganza in an interesting tale about a bloke (Leonardo DiCaprio) who infiltrates dreams. We've seen it, we were confused, we needed an internet guide afterwards.

★★★★

Inside Men

BBC ONE/HD • 9pm

The final stages of heist-planning are coming together and the inside men's lives are changing. Drippy manager John starts to feel more of a man when he gets his hands on the guns they've secured. Poor old security bloke Chris is having issues with his alky mum, and Marcus is tasked with buying the masks for the event.

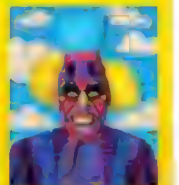

★★★★★

NOEL FIELDING'S LUXURY COMEDY

E4/HD • 10pm

We're big fans of Noel Fielding, but we can't make head nor tail of this off-the-wall show featuring live action and animated comedy.

DVD & Blu-ray • 15

It was never going to be a life-

A host of top tips
to help you play
Deal or No Deal!

➔ YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

PLAY ONLINE!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

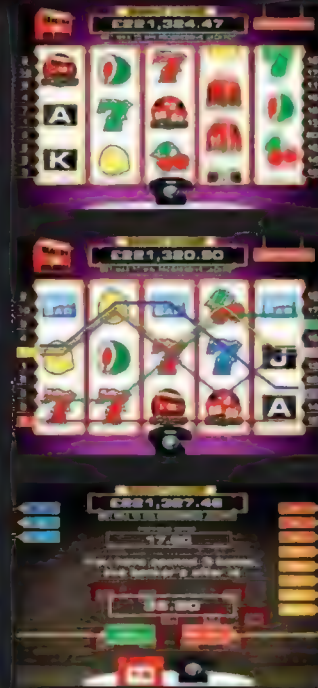

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win
up to £10k!

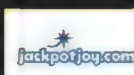

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

CONFESSION OF THE WEEK!

'He pulled up my miniskirt'

IN THE early hours, on the way back from a night out, my boyfriend and I were feeling horny. As we walked past a phone box he winked at me and opened the door. We entered and he picked me up and sat me on the ledge. He pulled up my miniskirt and moved my thong to the side. I wrapped my legs around him and as he fondled my boobs, he guided himself into me. As we were getting down to it, a few stray clubbers walked past and we didn't know if we'd been seen or not. We left the phone box in fits of laughter!
Kaylou London

'I pulled off her towel'

I WAS paying my sister a visit at uni and after a crazy night out in the student bar, she passed out in her room and left me alone in the communal

kitchen. Her flatmate, a very young, attractive blonde came in for a glass of water having had a shower and was shocked to find me there. Earlier that day, I'd noticed her looking at me, and she had quite a reputation for being up for anything. She was soaking wet from the shower and only

wearing a towel. My eyes wandered up and down her and I started thinking of all the things I wanted to do with her. Within seconds, she pushed her tongue into my mouth and I pulled off her towel. My clothes soon followed and I began exploring her with my hands and mouth while she pleased me with her fingers. She began screaming in pleasure as she eventually came and finished me off with her tongue. I'm shocked my sister didn't wake up, but she doesn't know what happened to this day!

Georgie Kent

'I loosened his trousers'

MY BOYFRIEND and I travelled up to Edinburgh for New Year's Eve with his family. We were sat at the back of their nine-seater with those at the front watching a film. We looked at each other and I could tell he wanted me as much as I wanted him. Before I knew it, he was unbuttoning my jeans and touching me under a blanket. I struggled not to scream as I climaxed. I checked nobody had heard before loosening his bulging trousers. I managed to get my hand inside and play with him. I felt his body tighten as he fought to keep quiet. It was the best New Year I've had. I even enjoyed the long car ride!

Lauren Brighton

'We went on for hours'

I WAS out clubbing with my boyfriend. We got onto the dancefloor and, I noticed a gorgeous blonde looking at me. She came over and whispered in my ear that she'd like to take me home. This was a real shock, but she was beautiful and I knew my boyfriend was fine with me experimenting. As I leaned in to her and kissed her, she pulled my boyfriend in, too. We let our hands explore each other, hers running up the inside of my thighs and mine appreciating her boobs. I grabbed her hand and we all left and took a taxi straight back to mine. I couldn't keep my hands or mouth off her. By the time we got home, my boyfriend had passed out, so me and my new friend went on for hours!

2 What's your trademark naughty move in the bedroom?

"A leg-lifter every time, where you put one leg up over the chap's shoulder while standing up."

3 What really turns you on in bed?

"Being kissed on my lower belly, with him gradually getting lower and lower. You really can't get much better than that!"

4 What's your favourite position?

"The dirty dangle, which is missionary with your head dangling over the side of the bed. The blood rushes to your head so you have a much better orgasm!"

5 Is it better to give or receive?

"You have to play fair – both partners have to be pleased. But if he knows what he's doing then it's better to receive."

6 What one thing would you really like to try but haven't yet?

"Lesbian sex! Filthy I know, but I'd really love to know how it feels. Girls always know what other girls want."

7 Have you ever got it on with another girl?

"Of course! Anyone who tells you any different would be lying. What's a night out without having a snog with one of your girlfriends at some point?"

8 What's your role-playing costume of choice?

"I just make a point of always dressing in sexy underwear – it always seems to do the job nicely. Dressing as 'Miss Mile-High' was nice, though!"

9 Have you ever made a sex tape?

"Put it this way, if I was to tell you that I haven't, I'd be lying!"

10 What's the single rudest thing you've ever done?

"That would have to be giving a blow-job in standing traffic! Well, we had to keep ourselves occupied somehow, didn't we?"

"I'd really love to try lesbian sex!"

Valentine's Day flirting footballers special!

This season's romantic moments – rated!

➔ **VALENTINE'S DAY** is around the corner, so to prove British football isn't all two-footed tackles and sickening stamps, *Nuts* decided to celebrate the more tender moments shared between our favourite footballers!

PADDY AND JOHN

Chelsea's captain Casanova, John Terry, takes control in this clinch, showing QPR's Paddy Kenny exactly who's boss. The Irish keeper certainly looks like he's enjoying himself – look at that giddy schoolgirl smile!

Romance rating: ♥♥♥♥♥

PHIL AND FERNANDO

The sultry Spaniard puckers up for a kiss from referee Phil Dowd in a devilish attempt to get one or two favourable decisions. God knows the out-of-form striker needs a break. At least he's scoring in his love life!

DIRK AND KENNY

The Dutch lover-boy surely oversteps the player-manager relationship with this cheeky attempt to snag a snog from his Liverpool boss, Kenny Dalglish. It'll be back to the subs' bench for poor old Dirk!

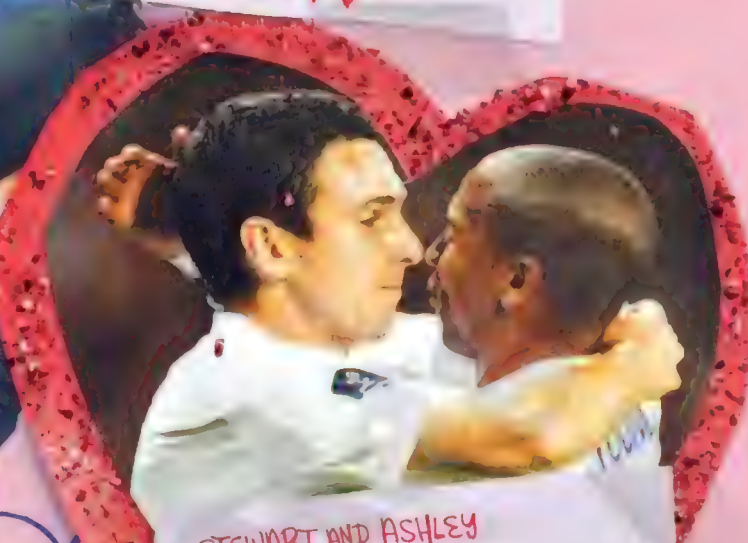

Romance rating: ♥♥♥♥

STEWART AND ASHLEY

A less-than-erotic clinch between England pair Stewart Downing and Ashley Young. We aren't convinced Stewart's heart's in this damp squib of a snuggle. One thing's for sure, the Liverpool man doesn't do tongues!

Romance rating: ♥♥

CLINT AND CRAIG

Just look at the passion here! These two can't keep their hands off each other. Clint's certainly the instigator, making the first move on Liverpool hot-head Craig. For all our sakes chaps, get a room!

Romance rating: ♥♥♥♥♥♥

ALEX AND STEVEN

It isn't just the Premier League that's full of pent-up passion - they're at it north of the border, too! Rangers star Steven Naismith goes in for a Frenchie with Hamilton's Alex Neil, and what's he doing with that hand?

KAMMY!

He's the voice of the fans – and he's only in Nuts!

"No need to shout, John – I'm not deaf!"

"Look! Daz Automatic left it spotlessly clean!"

England captaincy an absolute mess!

FA should have dealt with John Terry months ago!

➔ **THE FA'S** decision to strip John Terry of the England captaincy has been dealt with in the worst possible fashion. It really should have been sorted out long ago and this whole fiasco could have been avoided.

If the FA had said they were removing Terry from the captain's role during the racial abuse investigation

for the benefit of the team, fans would have understood. By letting the situation drag on, things have escalated to an untenable level.

With the court case being adjourned until after the Euros, everything's up in the air. Will Terry travel to the tournament? How will the players react to him? It's a mess! The whole affair needed to be done and

dusted by the summer, but now we're left with the worst possible outcome.

Obviously, Terry is innocent until found guilty, but with the constant speculation and tabloid headlines, it'll be impossible to escape the story for the next few months. It's a nightmare and exactly what England didn't need ahead of a major tournament.

Deadline day gets sensible!

I HAVE to say, it might be boring, but it was nice to see clubs acting a little more responsibly during the January transfer window. Deadline day didn't see the ridiculous amount of spending we're used to, although some decent signings were made.

QPR probably did the best business. Bobby Zamora's a terrific acquisition for Mark Hughes and will bring some real experience to the Rangers frontline. I expect him to weigh in with eight to ten goals as well. And it's great to see Djibril Cisse back, who's also signed for QPR – I have missed those mental hairdos of his!

**WILSHIRE
WORRY!**

It's such a shame that Wilshere's out for the rest of the season. It's a massive blow for Arsenal and England. He might miss the Euros!

Mourinho just can't win!

JOSE MOURINHO is again being linked with a return to the Premier League this summer, even though Real Madrid are now a massive seven points clear at the top of La Liga. Things aren't going well for the ex-Chelsea boss and even if Real go on to win the league, it won't be enough for them to step out of Barcelona's shadow. Pep Guardiola has made Jose look ordinary at times and I wouldn't be surprised if we see the Portuguese manager back in England before long.

Man United vs Liverpool

11 FEB, 12.45PM • Sky Sp 2

Now's the time I expect Man United to find top gear. We're getting to the business end of the season and Fergie will start rallying the troops. I think a result at Old Trafford might be too big a task for Liverpool, and I expect United to gain revenge for their FA Cup loss at Anfield.

KAMMY'S PREDICTION: 2-0

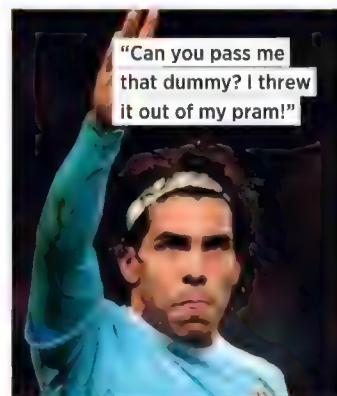

Key man

If fit, I think David de Gea will play. This kid has had a tough start to this United career, but everyone I speak to in football raves about him.

City open door for Tevez!

MAN CITY have registered Carlos Tevez in their revised 25-man squad for the rest of the season. The Argentine has been a disgrace to football and I'd have hung him out to dry. Is Roberto Mancini offering an olive branch? I hope not. Leave him well alone, Roberto!

"Can you pass me that dummy? I threw it out of my pram!"

CHELSEA

"I have a funny feeling about Chelsea. There's been a lot of talk about them having a new manager and being a team in transition, but there's still a lot of quality. And they have experienced pros like John Terry, Ashley Cole, Frank Lampard and Didier Drogba. The creativity of Mata also impresses me, while Fernando Torres has to come good at some stage."

EXCLUSIVE!

REAL MADRID

"I'd love my old team to win the Champions League and I can see them doing it. They score lots of goals, have one of the best players in the world in Cristiano Ronaldo, and they know how to grind out results. But for me, it's Jose Mourinho who can make a difference. He knows European football and has that ruthlessness you need to win the Champions League."

Beckham's Champions League tips!

**Superstar Becks gives
Nuts his ones to watch!**

THE CHAMPIONS League resumes next week with Arsenal travelling to Milan then Chelsea heading to Naples. But who are the teams to look out for? We spoke to football legend David Beckham to get his take on the world's greatest cup competition!

CHAMPION BECKS!

Becks was in the Man United team that won the Champions League final against Bayern Munich in 1999.

INTER MILAN

"When you get to this stage of the Champions League, every team's quality, so Inter will be no pushovers, but I can't see them winning the tournament. They were a bit unconvincing in qualifying and although they've been in good form in Serie A, I think they'll fall short. Wesley Sneijder is their star man and so much depends on him to make their midfield tick."

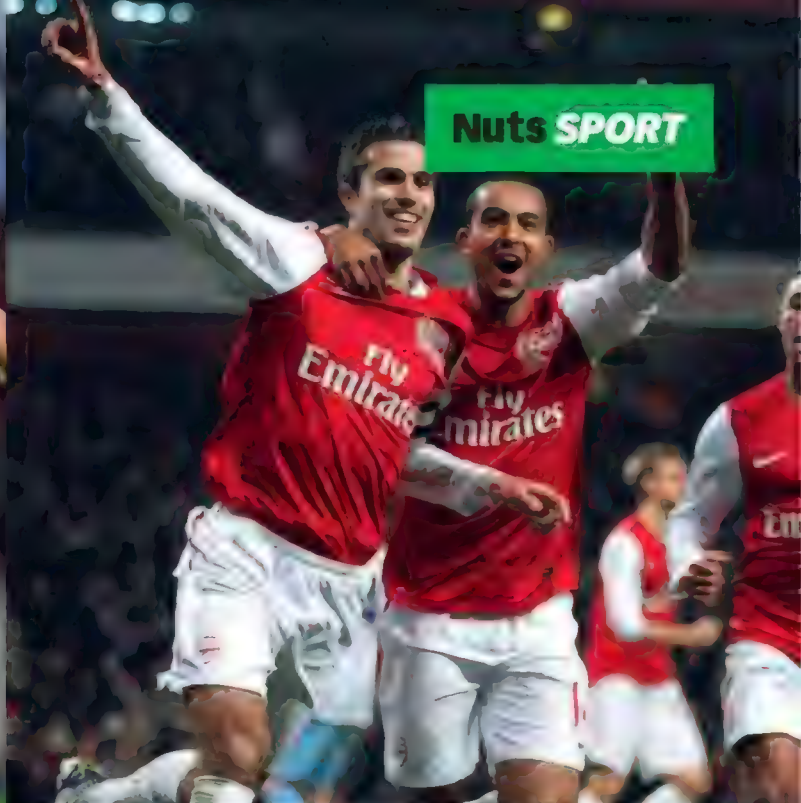

BAYERN MUNICH

"Bayern have got a massive incentive to progress as the final is being held at their home ground [the Allianz Arena]. To finish top of their group ahead of Man City, Villarreal and Napoli says loads about their quality. With players like Franck Ribery, Mario Gomez and Arjen Robben around, they could reach the final. If that happens, they can beat anyone."

BARCELONA

"Would I bet against Barcelona being the first team to retain the Champions League? Of course not. It's not just about their stars, although Messi, Xavi, Iniesta, and the rest, would walk into any side. It's the way they all work for each other. The pace of their passing is breathtaking and I love the way they hunt in packs to win back possession. A class act!"

ARSENAL

"I'm not sure why anyone would criticise Arsene Wenger – what he's done for Arsenal has been amazing. He runs the club his way and his team play with a certain philosophy. On their day, Arsenal can match the best and in Robin van Persie they've got probably the most in-form striker in Europe. They might have their work cut out against Milan, though."

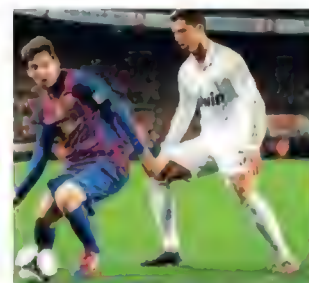

AC MILAN

"A lot depends on that first leg against Arsenal at the San Siro. They have a couple of injuries, but there are still plenty of attacking options for my old team. Zlatan Ibrahimovic is a fantastic talent. As ever, there's experience and I think that'll see them through. After that, who knows? That European experience means no one will be desperate to face them."

Players to watch out for!

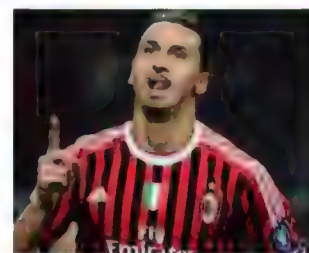

LIONEL MESSI AND CRISTIANO RONALDO

"We're lucky to have two such talents in the same era because they take football to another level. They're very different in some ways – Ronaldo's more powerful and better in the air, Messi's technically the best and has a low centre of gravity."

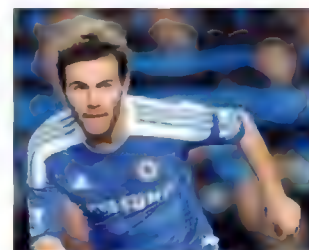

ZLATAN IBRAHIMOVIC

"A bit of an enigma, but can destroy teams when he's on form. I can't see a weakness in his game because he's great aerially, but also excellent on the deck. That's why he's still one of the most sought after strikers in the world."

JUAN MATA

"I like what I've seen of this guy. He hit the ground running after signing for Chelsea and has been a real bright spark for them this season. He has terrific ability on the ball, an eye for a pass and an ability to score goals. Very impressive!"

The best thing about the **AFRICAN CUP OF NATIONS**, apart from the hilariously bad refereeing decisions, is the amazing fans. We really don't know where to start with this Nigerian nutter!

"Quote me on that!"

This week's biggest match debaters!

"As a full-back, you've got a big piece of grass and a line"

Sounds a bit dodgy, MOTD's Lee Dixon.

"Darren Bent had his feet on the wrong legs"

Nuts legend Kammy falls over himself.

"The pool will be in the pudding"

Sounds like a messy dessert, Chris Coleman.

"If you don't get the ball back then give it away again, it's tiring"

You can't give it away if you haven't got it, Alan Mullery.

"If ten England centre-forwards get injured, I might get a call-up!"

Don't count on it, Grant Holt.

OO-ER SOUNDS

CORNER!

"Agbonlahor just pulled off Koscielny!"

Alan Green says what he sees.

"The ref couldn't see Ashley Cole coming from behind!"

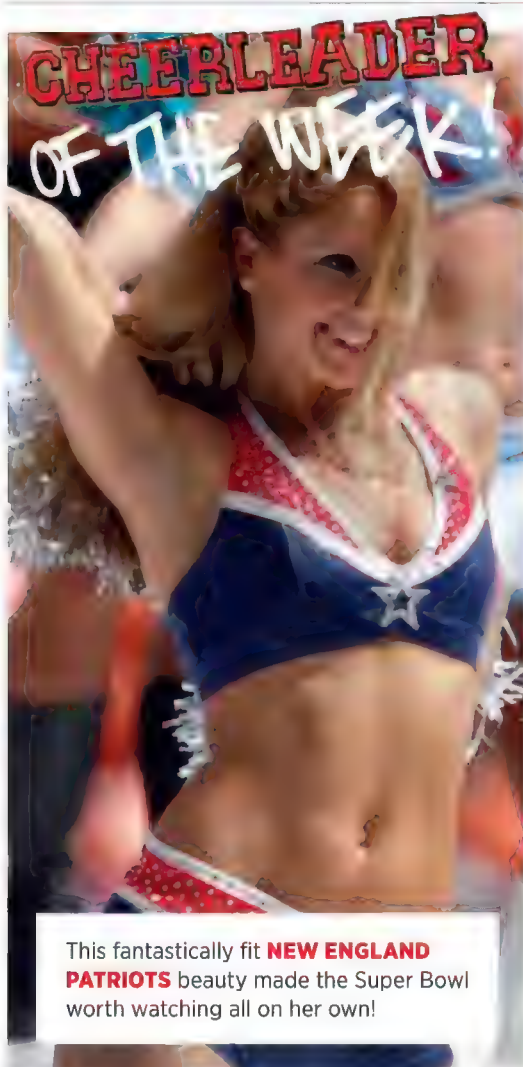

I don't want to see that, Jeff Stelling

"Flavio Briatore liked to put his finger in"

Wycombe's Gareth Ainsworth on the hands-on ex QPR owner.

Worryingly, UFC fighter **NIK LENTZ** seems to be bleeding from his eye during his fight with **EVAN DUNHAM**. Unsurprisingly, Nik lost the bout!

The inspiring three-lions insignia is a unique reminder of British heraldic history, while the St. George's Cross has been an emblem of British military power since the Crusades. Nearly a thousand years later their importance shows no signs of diminishing and together, these symbols instil a feeling of true pride to be English. That feeling drives us, as individuals and as a nation and today inspires the *Pride of England Men's Watch* – a patriotic salute to our unique history of our motherland... past, present and future.

WEAR IT WITH PRIDE

Featuring three raised lions plated in rich 18-carat gold on the watch face, this exclusive design is a daily reminder of England's strength. Pride.' while the word 'England' is etched on the clasp of the watch. These features won't be found on any other watch and, coupled with a precision quartz movement and water resistance up to 30 metres, result in a market-first gentlemen's watch that is functional, stylish and as enduring as the St. George's Cross itself!
